

Review: How to create an “EyeOnWater” Account

1. Go to EyeOnWater.com/signup and enter your billing zip code and account number
2. Create an account by entering a username and password
3. Check your email for the verification message that was just sent to you
4. Click the verification link within your email
5. After clicking the link, enter your email and password to sign in
6. Once you’re logged in, you’ll be able to view your water consumption and even set a leak alert
